Article 7 Are you in favor of Amendment 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To see if the Town will vote to amend Zoning Ordinance Article VI (F)(2) to add language to the existing table that defines a 50 ft. setback for front, side and rear for commercial structures in the Residential/Agriculture zoning district, and in (F)(2)a, to add a new Conditional Use Permit that would allow reduction of the required 25 ft. vegetative buffer between the building and roadway within the front setback for sufficient cause. Finally, in (F)(3), to add back the Residential/Agriculture zone to the 50% lot coverage maximum requirement as it had been prior to the change approved during the 2011 Town Meeting.
